COURSE DETAILS

Not only will you complete your NCEA, you will gain the skills and knowledge in practical topics that will help you gain work or be successful in further study. We will not make you resit unit standards you have already achieved at school. These programmes are totally free, no hidden costs. We have transport available from Shannon, Otaki and Foxton.

In our commercial kitchen, café and restaurant our Hospitality students also gain the internationally recognised City and Guilds Barista Award and Food Safety Certificate. Learn how to prepare and serve food, hospitality

skills, beverage serving, budgeting and personal finance management.

In our computer suite our Computing Skills students gain the skills and knowledge for working in business, commerce or computing. Most jobs today require computer skills and this programme will prepare you for this. Learn desktop publishing, word processing, managing and protecting data, communication skills and work experience.
